

# UWSOP CURRICULAR INNOVATION (CI)

Showcase of Work in Progress - Autumn 2017

Ongoing evaluation process improvement

## SITUATION

- Washington state passes SB 5557, enabling pharmacists to be paid providers on insurance plans
- Substantial change to ACPE accreditation standards
- Opportunities for improvement identified in 2015 UWSOP Strategic Plan process & student surveys
- National trend to change PharmD curriculum to enhance experiential emphasis
- Decline in PharmD applications nationwide

## UWSOP STRATEGIC PLAN

### OUR VISION

We will be the global leader in pharmacy education, research and service, committed to providing a transformative learning experience in a collaborative and diverse environment focused on improving the health and well-being of the communities we serve.

### OUR MISSION

**Inspiring Education:** Develop exceptional, innovative and diverse pharmacy leaders and scientists.

**Discovering Solutions:** Advance the science, development, implementation, and outcomes of safe and appropriate treatments.

**Serving People and Communities:** Promote the health and well-being of the public, locally and globally.

## OVERCOMING CHALLENGES

### FACULTY TRAINING & BUY IN

Faculty development, learning specialist Availability, strategic hiring to meet needs; ability to provide feedback; incient efforts.
