Slate Application Instructions: MS in Health Economics & Outcomes Research (HEOR)

Last revised 8/31/23

- 1. Login to the Graduate School application: <u>https://apply.grad.uw.edu/portal/gr_app</u>
- 2. Either login to continue your application (returning user) or create an account to start a new application (first-time user)

Welcome to University of Washington Graduate School

If you have an existing account with us you can use the Login option, else you can create an account.

We are in the process of transitioning to a new admissions system. If you are applying for a term prior to Autumn 2024 please do not use this application to submit. Return to https://grad.uw.edu/admission/apply-now/ and continue to the correct application.

Welcome to the University of Washington's Graduate Admission Application! Visit our Admission page for more information about the admissions process. Individual programs may have additional requirements beyond the Graduate School's minimum admission requirements, Policy 3.1. To learn more about your intended program, see their website.

See the UW Non-Discrimination Policy and the Equal Opportunity Statement, which applies to all programs and facilities, including, but not limited to, admissions.

Returning Users:

First-time Users:

Log in to continue your application.

Create an account to start a new application.

a. If a returning user, you will see this screen to login:

W	THE GRADUATE SCHOOL UNIVERSITY of WASHINGTON
Login	
To log in, please	enter your email address and password.
Email Address Password	Forgot Your Password?

b. If a first-time user, you will see this screen to Activate your Account:

W	UNIVERSITY of WASHINGTO)N
Account A	ctivation	
First Name <mark>REQU</mark>	IIRED	
Last Name REQU	IRED	
Birthdate REQUII	RED	
Email Address RE	QUIRED	

If creating a new account, fill in these fields, then you will receive an email from <u>applygrad@uw.edu</u> with the subject line, "The Graduate School – University of Washington Online Registration". This email will provide you with a temporary pin and link to set up your account and create a new application.

3. Once you are logged in, you should see this page:

Welcome to University of Washington Graduate School Welcome to the University of Washington's Graduate Admission Application! Visit our Admission page for more information about the admissions process. Individual programs may have additional requirements beyond the Graduate School's minimum admission requirements, Policy 3.1. To learn more about your intended program, see their website. See the UW Non-Discrimination Policy and the Equal Opportunity Statement, which applies to all programs and facilities, including, but not limited to, admissions. We are in the process of transitioning to a new admissions system. If you are applying for a term prior to Autumn 2024 please do not use this application to submit. Return to the Apply Now page and continue to the correct application. Your Applications Type Status Started Application ID You have not yet started an application using this account. Select your program * REQUIRED

This list is filtered based upon your choices above.
Pharmacy - Health Economics & Outcomes Research (MS)

Note: Once you've selected a program, the Application Questions and Application Materials pages (if present) are specific to that program. If you change your selection in the field above after answering questions or submitting materials, you must review your entries prior to submitting the application to ensure that they are in alignment with the new program.

Concurrent Application * REQUIRED

For the program you selected above, if offered admission, are you planning to enroll (in the same quarter) concurrently with another graduate or professional program at the University of Washington? (*If you are considering concurrent enrollment, please contact advising staff in both programs prior to submitting your application.*)

11. Review the Program Requirements and indicate the term and year you intend to enroll in the program.

13. For the "Application Materials" section, upload your Statement of Purpose and Resume/CV. PDF files are preferred.

14. For the "Recommenders" section, designate your 3 letters of recommendation. They will receive an email immediately prompting them to complete a review form and upload their letter of recommendation into the online application portal.

	Home	 Recommendations Use the "Add New" link below to designate the individuals you have asked to provide a recommendation for your application. Pharmacy - Health Economics & Outcomes Research (MS) requires 3 recommendations. When you designate a recommender, the individual is contacted immediately. <i>Please do not enter recommender information until you are ready to have the recommender contacted</i>. Recommenders can submit recommendations at any point after receiving the request. Recommendations can be submitted after the deadline, but will be date-stamped. <i>Programs may take this into account during the review process</i>. You may remove the recommender by clicking the "Exclude" button on the recommender detail page. All recommendations listed below are reviewed equally and are NOT enumerated in order of priority. For program-specific recommendation requirements, please reference the Program
