Algorithm is based on the UW Student Governance and Policies found at: http://www.washington.edu/admin/rules/policies/SGP/ScholRegCH107.html

Details regarding additional series progression requirements may be found in the Student Handbook, under the heading "Course Series Minimum Grades and Progression."

Note: APPEs use the course prefix of PHARMP. Although the numbers vary to designate individual practice experiences, APPEs are considered the same course. According to School approved policy, a student who fails the same course twice will be dismissed from the program, therefore a student who receives a grade of "no credit" in a second APPE, regardless of course number designation, will be dismissed from the Doctor of Pharmacy degree program.
